

Searchable primary source material:
maps, photos, newspapers, manuscripts,
pamphlets, portraits, sermons, poems,
and more for research, teaching, and learning.

Supported by the University of Victoria Libraries, University of British Columbia Library,
and Simon Fraser University Library, in collaboration with Gale, part of Cengage Learning.
Nearly 200 million pages of historical content, right at your fingertips: pointstothepast.ca

A sample of collections now available at your library are:

British Literary Manuscripts Online, c. 1660-1900
This extensive digital archive includes hundreds of thousands

of pages of poems, plays, essays, novels, diaries, journals, correspondence, and other manuscripts from the Restoration through the Victorian era.

British Literary Manuscripts Online, Medieval and Renaissance

The collection features works from more than 1,000 authors and more than 500 years of manuscripts dating from roughly 1100 to 1660. It offers hundreds of thousands of pages of letters, poems, stories, plays, chronicles, religious writings, and other materials.

Gale Artemis: Primary Sources
This unique platform provides an unprecedented, seamless research experience that helps

scholars find a starting point, search across a wide array of materials and points in time, and discover new ways to analyze information.

Gale NewsVault
Gale NewsVault delivers single-point access to Gale's ever-growing collection of historical newspapers and periodicals — currently more than 12 million digitized facsimile pages from newspapers and periodicals around the world.

Slavery and Anti-Slavery: A Transnational Archive
Slavery and Anti-Slavery: A Transnational Archive is a historical archive that embraces the scholarly study of slavery in a comprehensive, conceptual, and global way. Once completed, this digital collection will comprise five million pages of documents selected by a renowned board of scholars.

State Papers Online
The largest digital manuscript archive of its kind, State Papers Online, 1509-1714 gathers together 16th- and 17th- century British State Papers and links these rare historical manuscripts to their fully text-searchable calendars.

Promote your Gale resources...YOUR way!
